VALERIE FIGUEREDO, United States Magistrate Judge:

On January 14, 2022, Plaintiffs filed a letter motion to compel Defendant to produce, among other things, certain World Umpires' Association collective bargaining agreements (the "Agreements"). See ECF No. 286 at 19-20. At the August 19, 2022 hearing before this Court, Defendant was directed to submit the Agreements for *in camera* review.

Following review, the Court finds that the Agreements are not relevant to the claims at issue in this case, and specifically, do not reference PITCHf/x or the replacement system (TrackMan). Accordingly, Plaintiff's motion to compel production of these Agreements is **DENIED.**

SO ORDERED.
